Tennessee Department of Environmental and Conservation
Division of Water Pollution Control
401 Church Street, 6th Floor L&C Annex
Nashville, TN 37243
(615) 532-0625

PH 2010-10

June 16, 2010

NOTICE IS HEREBY GIVEN, the Division of Water Pollution Control will hold a public hearing pursuant to Rule 1200-4-5-.06 (8).

Date: Tuesday, August 3, 2010
Time: 6:00 PM CDT
Location: Town of Collierville Town Hall
500 Poplar View Parkway
Collierville, TN 38017
(901) 457-2340

Public comments will be received concerning an Intermodal Facility to be developed by Norfolk Southern Railway Company, located ~ 3 miles south of SR-57 and ~1.7 miles west of Rossville Junction, in Rossville, TN 38066, Fayette County Tennessee. The proposed permit actions are described below:

- 1) An application for a state water quality permit for the proposed Norfolk Southern Intermodal Facility. The permit is required for alterations to tributaries including unnamed tributaries to the Wolf River. The proposed alterations include the modification of 4,738 ft. of streams and 2.2 acres of wetlands.

Applicant: Norfolk Southern Railway Company
Mr. Mark Dewberry, Chief Engineer
1200 Peachtree Street
Atlanta, GA 30309
404-529-1228

The public notice of this project, file number NRS10.013, published on March 2, 2010, can be found on the Internet at <http://www.state.tn.us/environment/wpc/ppo/arap>.

- 2) Tennessee proposes to issue an Individual NPDES Permit to Norfolk Southern Railway Company, Permit Number TN0081108. The permit is to authorize discharges of stormwater runoff associated with 450 acres of construction activity for an intermodal rail facility, tracks to access the facility, and a Hwy 57 overpass.

The division decided to hold this public hearing to discuss water quality concerns, in anticipation of public interest in this project. The hearing officer may limit the length of oral presentation in order to allow parties an opportunity to speak, and will require that all testimony be relevant to water quality issues. Written testimony will be accepted at the hearing, for ten working days following the hearing, and will be considered part of the hearing record.

Interested persons may obtain additional information, a copy of the draft permit, the rationale and inspect and copy forms and related documents at the Division's Central Office by contacting the appropriate permit writer listed below, or at the Memphis Environmental Field Office located at 8383 Wolf Lake Drive, Bartlett, TN 38133, (901) 371-3000.

The public is also invited to submit comments in writing to the division at the address printed below. The comments must be received by August 16, 2010. After considering all public comments, the division will publish final permit decisions and notices of the division's determinations.

Interested persons may obtain additional information or inspect and copy the application and related documents by appointment during business hours at the division's office in Nashville, at the address listed above.
